

## TIPS FOR FAMILIES TO EXPLORE LAUMEIER

**PICK UP** a Park Map from the kiosk located near the upper parking lots at the Main Entrance to the Park. More information about Laumeier's events and programs is available at the Adam Aronson Fine Arts Center during regular building hours.

**CONNECT** with Laumeier's [Art + Nature Guide](#), [Nature Trail Scavenger Hunt](#) and [Site/Sound Project](#) online.

**CHECK OUT** a book from the Bring Me A Book shelf in the Adam Aronson Fine Arts Center during regular building hours to enjoy during your visit to the Park.

**RUN + SKIP** on the grass—but be sure to walk indoors and on trails and stairs.

**FIND** our recommended [Sculpture Interaction Guidelines](#) online. Do not climb on any artworks, unless otherwise noted on a sculpture's object label.

**LOOK** at the artworks from different angles:

- Crouch or lie down
- Stand far away and up close
- Circle around

**ASK** questions to encourage discussion:

- What do you see?
- What do you think it means?
- How does it make you feel?

**MOVE** your body to imitate the shapes of the sculptures!

**INVENT** your own creative titles for the artworks before reading the object labels.

**DRAW** what you see. Sketchbooks are encouraged!

**TAKE A BREAK** at the benches and picnic tables located throughout the Park. Public restrooms and water fountains are located in the Museum Circle, Way Field and Emerson Children's Sculpture Garden, and in the Adam Aronson Fine Arts Center during regular building hours.

**BRING** the conversation home:

- What sculpture did you like the most?
- Did you learn about a new material?
- What new projects can you create at home now?
