Art Camp

SUMMER ART CAMP

Join us for our popular summer art camp, which is offers several one-week sessions throughout the summer, from June 8 through July 31. Students of all ages will learn how to use a variety of media and experience activities including ceramics, sculpture, painting, drawing, printmaking and textile arts. They will develop cultural appreciation and aesthetic awareness as they find inspiration in the museum's collections.

Our emphasis is on interactive, fun learning with exposure to a wide range of artistic media and methods. Your child will gain a greater appreciation and understanding of art, as well as developing his or her own talent for self-expression. Camps are led by local, experienced art instructors and supported by caring staff. Each camp session includes a variety of two and three-dimensional, age-appropriate projects. Themes enhance camper motivation and identify artists, movements, media and techniques for each session. Different projects are developed for each session so those registering for multiple weeks receive a broader experience. All materials will be provided and campers will receive a camp t-shirt.

Camps for ages 4 to 6

Eight, one-week, half-day sessions are available for ages 4 to 6; Camp hours are from 9:00 a.m. – 12:00 p.m. In addition to age appropriate projects, camp includes storytelling, games and snack time.
