

Laumeiersculpturepark

Visitor Guidelines

Climbing

We ask for your cooperation in protecting our works of art, as well as your safety, by not climbing on any sculptures. Even though our artwork is outdoors and subject to the elements, the natural oils in our hands can still do irreparable damage to the surfaces of the works. Part of our mission is to preserve these works for future generations.

Pets

Pets are welcome visitors at Laumeier Sculpture Park, in all outdoor areas, however, they must be leashed at all times.

Photography

To protect the artwork on display and assure copyright protections to the artists we present, no photography or videography is allowed inside the Museum Indoor Galleries. Due to copyright restrictions, visitor safety and access concerns no commercial photography or videography is allowed on Laumeier property without permission. Inquiries can be directed to our Communications Department at 314-821-1209, x20.

Access

Vehicles are only allowed in the parking lots. Please do not drive on walking paths. The Museum and restrooms are wheelchair accessible, as are some trails. Parks and Recreation programs and facilities are available for people of all abilities. Please let us know if there is an accommodation that would make a program accessible to you or your family. Call 800-735-2966 (Relay Missouri).

Emergency Contact: 911

St. Louis County Park Rangers: 314-615-8911

Directions

From Interstate 44 Eastbound or Westbound, take the Lindbergh Blvd. exit South, and go 1/2 mile to Rott Road. Turn right on Rott Road and follow 1/2 mile to the Park entrance on the left.
